Re: Asdene Primary School Chess Club, Spring 2025 - Thursdays, 15:30 - 16:30 (Years 1 to 6)

Dear Parent/Guardian,

We're excited to be continuing our club here at **Asdene Primary School** for the **Spring term**. Myself and the team have been teaching chess in schools around Cheshire since 2013 and cover everything right from the basics through to being ready to compete at national level. All children start with our level 1 school course booklet which familiarises children with the game and teaches them about check and checkmate. As well as teaching winning strategies, we provide ample opportunity to practise with games and group exercises keeping the children engaged and having fun while learning.

This term, we'll be introducing children to the world of tournament chess, giving them the competition bug and the chance to win prizes in a fun format. For those that enjoy the game and want the excitement of playing other UK juniors, there'll also be an opportunity to enter them into the UK's largest junior chess competition - the UK Chess Challenge.

How to register for the Spring term

Please click the link below, complete your child's details and make payment for the club. You'll receive an automated email confirming payment has been made.
