

## Year 2

### Nouns: Session 5

#### Compound nouns

Look at the compound nouns below. Can you invent a story about how each one became a word.

Fireman, tablecloth, earthquake, schoolboy, bedroom, aircraft, toothpaste, football, sunlight, crossword, spaceship, toothache, sheepskin, waterproof, fingerprint.

Now, can you pair up the words below to create a compound word:

back	man
snow	room
bed	board
dart	pit
farm	shine
fire	ground
moon	house
sun	light

~

Next, pair up words that have never been put together before and create new compound words, e.g, dartshine. Explain what your new word means: a dartshine is a magical bird that can dart through the sky and leaves a trail of light feather dust.

#### Noun riddles

Below are three riddles, can you guess the noun.

1. I am seen by the thousand at a glance  
And yet you cannot touch me-  
I'll illuminate the darkness  
and guide your ship home.
2. The colour of butter  
I'll appear in Spring  
I am a trumpet  
but I make no sound.
3. Beetle black,  
I'll take you where you wish  
if you cross my palm.

## Year 2

### Nouns: Session 5

#### Compound nouns

Answers Vary:

Fireman, tablecloth, earthquake, schoolboy, bedroom, aircraft, toothpaste, football, sunlight, cross-word, spaceship, toothache, sheepskin, waterproof, fingerprint.

Now, can you pair up the words below to create a compound word:

back	ground
snow	man
bed	room
dart	board
farm	house
fire	pit
moon	light
sun	shine

~

**Answers Vary:** Next, pair up words that have never been put together before and create new compound words, e.g, dartshine. Explain what your new word means: a dartshine is a magical bird that can dart through the sky and leaves a trail of light feather dust.
